

# THE LABEL IF-BY-WHISKEY

“My friends, I had not intended to discuss this controversial subject at this particular time. However, I want you to know that I do not shun controversy. On the contrary, I will take a stand on any issue at any time, regardless of how fraught with controversy it might be. You have asked me how I feel about whiskey. All right, here is how I feel about whiskey:

If when you say whiskey you mean the devil’s brew, the poison scourge, the bloody monster, that defiles innocence, dethrones reason, destroys the home, creates misery and poverty, yea, literally takes the bread from the mouths of little children; if you mean the evil drink that topples the Christian man and woman from the pinnacle of righteous, gracious living into the bottomless pit of degradation, and despair, and shame and helplessness, and hopelessness, then certainly I am against it.

But, if when you say whiskey you mean the oil of conversation, the philosophic wine, the ale that is consumed when good fellows get together, that puts a song in their hearts and laughter on their lips, and the warm glow of contentment in their eyes; if you mean Christmas cheer; if you mean the stimulating drink that puts the spring in the old gentleman’s step on a frosty, crispy morning; if you mean the drink which enables a man to magnify his joy, and his happiness, and to forget, if only for a little while, life’s great tragedies, and heartaches, and sorrows; if you mean that drink, the sale of which pours into our treasuries untold millions of dollars, which are used to provide tender care for our little crippled children, our blind, our deaf, our dumb, our pitiful aged and infirm; to build highways and hospitals and schools, then certainly I am for it.”

**“THIS IS MY STAND. I WILL NOT RETREAT FROM IT.  
I WILL NOT COMPROMISE.”**

**NOAH S. “SOGGY” SWEAT, JR., a young lawmaker from the state of Mississippi, in a 1952 speech on the subject of whether Mississippi should continue to prohibit or finally legalize alcoholic beverages**

Rich, sweet, chocolate and brown sugar flavors mingle in perfect balance with the bold rye spiciness. The boundless finish lingers with hints of cherries, cloves and smokiness.

**Stein Bourbon** — 80 proof, OR .....11.03

Meets the nose with a whiff of honey and covers the palate with soft orange, ending with a toffee finish.

**Ten High** — 80 proof, KY .....9.03

It might be vodka with brown food coloring.

**Town Branch Bourbon** — 80 proof, KY.....9.03

Pleasant woody and oaky aromas lead into caramel, toffee, brown sugar, and hints of cherry.

**Very Old Barton** — 90 proof, KY .....9.03

This bourbon’s flavor far outpaces its price. Very nutty, with significant banana and tobacco flavors. Blended nicely for a complex bourbon at a great price.

**Virginia Black** — 80 proof, LD1 .....11.03

Blends of 2, 3 and 4 year whiskies from the minds of Brent Hocking and Drake...yes, that Drake. The rapper. Why are you looking at me like that?

**W.L. Weller 7yr** — 90 proof, KY .....10.03

A sweet nose with a presence of caramel. Notes of honey, butterscotch, and a soft woodiness. It’s smooth, delicate and calm. Smooth finish with a sweet honeysuckle flair.

**Weller 107** — 107 proof, KY .....15.03

A delicious combination of char and spice that doesn’t overstay its welcome. The wheat sweetness is still present, but a measured blast of heat will let you know it’s there as it goes down.

**Watershed Distillery** — 94 proof, OH .....14.03

Made in small batches using a combination of Corn, Wheat, Rye and Spelt. We double-distill our bourbon and each bottle is hand numbered.

- Wathen’s Single Barrel** — 94 proof, KY..... 9.03  
 A premium Kentucky Bourbon created by Charles W. Medley using the same recipe and techniques that have been handed directly and unchanged through eight generations.
- Widow Jane 10 year** — 91 proof, NY .....19.03  
 “The sweet water, along with hand-selected eight-year old Kentucky bourbon, is imported to Brooklyn where Daniel Prieto Preston, inventor, aerospace engineer and founder of Cacao Prieto (a chocolate maker and distillery!), creates Widow Jane Bourbon” --Casker’s
- Wild Turkey 81** — 81 proof, KY ..... 9.03  
 Classic Wild Turkey spicy kick; a mellower counterpart to Wild Turkey 101; almonds, honey, and blackberries.
- Wild Turkey 101** — 101 proof, KY ..... 9.03  
 An explosion of vanilla and caramel; hints of honey and oranges.
- Wild Turkey Forgiven** — 91 proof, KY .....15.03  
 When Wild Turkey realized they had mistakenly blended small batch bourbon with high proof whiskey, people were worried. But then the Associate Master Distiller tasted the accidental blend and declared it worthy of bottling.
- Wild Turkey Tradition** — 101 proof, KY.....24.03  
 Richly textured—almost chewy—with toffee, molasses, nougat, date, candy corn, ripe clementine and raisin
- Willett Pot Still Reserve Small Batch**  
**94 proof, KY**..... 9.03  
 Aged for between eight and ten years, Willett Pot Still Reserve earned the Gold Medal for taste at the San Francisco World Spirits Competition in 2009, and the Double Gold Medal for design.
- Woodford Reserve** — 90.4 proof, KY ..... 9.03  
 Rich, chewy, rounded and smooth, with complex citrus, cinnamon and cocoa. Toffee, caramel, chocolate and spice notes abound.
- Woodford Reserve Double Oaked**  
 90.4 proof, KY .....13.03  
 Uniquely matured in separate, charred oak barrels – the second barrel deeply toasted– extracts additional amounts of soft, sweet oak character.
- Wyoming** — 88 proof, WY ..... 9.03  
 Herbal nose, caramel and citrus with a soft wheaty wood finish. From a town that has a population of 92 people.

**Zachariah Harris** — 80 proof, KY .....9.03  
 The nose smells of sweet corn, rubbing alcohol and candle wax. The taste isn’t nearly as offensive and has that satisfying deep burn that quickly turns to rot gut.
