

# THE LABEL IF-BY-WHISKEY

“My friends, I had not intended to discuss this controversial subject at this particular time. However, I want you to know that I do not shun controversy. On the contrary, I will take a stand on any issue at any time, regardless of how fraught with controversy it might be. You have asked me how I feel about whiskey. All right, here is how I feel about whiskey:

If when you say whiskey you mean the devil’s brew, the poison scourge, the bloody monster, that defiles innocence, dethrones reason, destroys the home, creates misery and poverty, yea, literally takes the bread from the mouths of little children; if you mean the evil drink that topples the Christian man and woman from the pinnacle of righteous, gracious living into the bottomless pit of degradation, and despair, and shame and helplessness, and hopelessness, then certainly I am against it.

But, if when you say whiskey you mean the oil of conversation, the philosophic wine, the ale that is consumed when good fellows get together, that puts a song in their hearts and laughter on their lips, and the warm glow of contentment in their eyes; if you mean Christmas cheer; if you mean the stimulating drink that puts the spring in the old gentleman’s step on a frosty, crispy morning; if you mean the drink which enables a man to magnify his joy, and his happiness, and to forget, if only for a little while, life’s great tragedies, and heartaches, and sorrows; if you mean that drink, the sale of which pours into our treasuries untold millions of dollars, which are used to provide tender care for our little crippled children, our blind, our deaf, our dumb, our pitiful aged and infirm; to build highways and hospitals and schools, then certainly I am for it.”

**“THIS IS MY STAND. I WILL NOT RETREAT FROM IT.  
I WILL NOT COMPROMISE.”**

**009 Rebel Distiller’s Collection “I Rebel Therefore I Am” KY 113 proof . . . . . 13.93**

This existential bourbon features a mash bill of 68% corn, 20% wheat and 12% malted barley with savory notes of cigar box, sandalwood and marshmallow. Received the Keith Richards stamp of approval.

**010 Sazerac Rye “Walked Thru Fire & Swam Thru Mud” KY 90 proof . . . . . 13.93**

A rye to celebrate the first true American cocktail, this barrel will hit you with notes of warm spice, orange rock candy, peppermint, and candy cane. The name of this pick comes from a line in the song “Meet the Boys on the Battlefield” by the Wild Tchoupitoulas, a New Orleans funk band of the seventies and predecessor to the Neville Brothers.

**011 Shortbarrel Bourbon “Pork” KY 125 proof . . . . . 15/30**

Our three selections from Shortbarrel Bourbon are a further nod to the great Dusty Rhodes, who “wined and dined with kings and queens, and slept in the alley eating pork and beans.” Barrel 19, or “Pork”, will give you fruitcake and almonds on the nose with cinnamon, mexican chocolate and coffee on the palate.

**012 Shortbarrel Bourbon “Beans” KY 125.4 proof . . . . . 15/30**

This pick from Shortbarrel features notes of malted waffle, toasted pecans and maple syrup. It’s like Waffle House got drunk and turned into bourbon...

**013 Shortbarrel Bourbon “Kings & Queens” KY 124.7 proof . . . . . 15/30**

Shortbarrel Bourbon started in early 2016 when friends & bourbon enthusiasts Adam Dorfman, Patrick Lemmond, and Clinton Dugan began doing private barrel selections for local Atlanta liquor stores. We are proud to call them friends and frequenters of our restaurants. While selecting these barrels we could not decide between the first two selections, “Pork” and “Beans,” and so ended up blending the two for a third uniquely delicious dram. Enjoy fresh cherries, malted milk balls and herbal notes of mint on the palate.
